

Annual PhD Student Advisory Meeting Report

It is the responsibility of the Thayer Doctoral Candidate and their advisor to schedule meetings with the thesis advisor, and committee after 2nd year. This should be before the start of fall term every year. The purpose of this meeting is advisory, to provide a summary of past progress and to chart goals for the upcoming year. One of these meetings should coincide with the thesis proposal as well, no later than the 3rd meeting. The student should come to the meeting with a brief outline of research activity progress to date and outlining future plans (research, papers, conferences, awards, etc). This outline should be signed by the student and advisor, and the members of the committee when available, to confirm agreement. **This form must be submitted to the Thayer PhD Program office before the start of fall term every year while registered in the program.** (Submit form to Thayer Registrar)
